

Membership List

Below is the membership list as of 2-7-2012. Our constitution states that members shall fall into one of two of the following categories; active members and inactive members. An active member is any member who has been actively involved in the church within the last two years. Inactive members have not been actively involved in the church for more two years. An active members regularly attends church, supports the church financially, and is frequently involved in church events and activities. Active members are therefore awarded the privilege of being able to vote at any church meeting. This list was approved on 2-7-2012 by the Church Board. It is however, subject to public review and if anyone viewing this document feels they or someone they know has been incorrectly assigned to the list please let one of the Church board members know. Keep in mind, that if your name does not appear on this list and you are a member, you are considered to be inactive at this time. Thank you.
